RE: Phase I Environmental Site Assessment
3408 Industrial Road
Homedale, Idaho

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on approximately 2.5 acres of property at 3408 Industrial Road in Homedale, Idaho. The site is currently the location of the Owyhee Meat Company, a commercial meat packing / butcher company.

An aerial map with the site location is attached for your assistance. If you have any questions about the site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 or 208.869.7070 if you have any questions or need further information. A written, telephone, or email response (bdharr@summitenviroinc.com or mlarango@summitenviroinc.com) by December 24, 2021 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.

Mike Larango, CES
Field Supervisor
